

Calendar for DSBS—Year I (2019-2020)

The calendar for Year One of the new class of the Diocesan School of Biblical Studies is (at this distance) rather tentative. It is our intention to have a teaching site both in the Wausau and the La Crosse area. Our ability to host a group in the Eau Claire area is dependent on our being able to find the right teacher. Since the same topics are being addressed each month in our teaching sites, the students can travel from one spot to another depending on their schedule and complete the program.
